

Proposal to Clarify Allocation Priority for Prior Living Organ Donors

John J. Friedewald, MD, Chair
Kidney Transplantation Committee

OPTN/UNOS Board of Directors
November 13, 2012
Saint Louis, Missouri

Problem Statement and Data

- Current policy does not clearly state whether prior living organ donors should get priority with each and every kidney registration or just one registration
- Since 1996
 - 280 prior living donors listed for kidney transplant
 - 33 prior living donors listed for more than one kidney transplant

Proposal

- Policy language would clearly state that the local priority and 4 points for prior living donors applies with each and every kidney registration.

Feedback and Cost Estimates

- Public Comment: 59 in favor, 2 opposed, and 17 had no comment.
- Committee votes: 6 in favor, 0 opposed, and 14 did not vote.
- Regional votes: 11 in favor, 0 opposed.
- RAIS: Project Size- Very small; Implementation Cost- \$4,652; Annual Maintenance Estimate- 40 hours. Does not require additional programming in UNetSM.

Resolution 2

- Page 6 of 98
- **RESOLVED**, that Policies 3.5.11.6 (Donation Status) and 12.9.3 (Priority on the Waiting List) are modified as set forth below, effective February 1, 2013.
