

UNOS Region 5 Educational Collaborative

San Diego, CA • September 18, 2024

A “collaborative” is an effort, on the part of multiple organizations, to come together with faculty to learn about and to create improved processes in a specific topic area. The expectation is that teams share expertise and data with each other; thus, everyone *learns*, everyone *teaches*.

AGENDA

Topics and times subject to change

8:00 a.m. – 5:00 p.m.
