

A “collaborative” is an effort, on the part of multiple organizations, to come together with faculty to learn about and to create improved processes in a specific topic area. The expectation is that teams share expertise and data with each other; thus, everyone *learns*, everyone *teaches*.

<b>AGENDA</b> <i>*Topics and times subject to change*</i> <b>8:00 a.m. – 5:00 p.m.</b> <b>Provence Ballroom at the Horseshoe Hotel</b>
