Dear Mr. Shepard:

Consistent with the Court's Order dated May 17, 2019, HRSA instructs UNOS "to immediately, to the greatest extent feasible, revert back to the pre May 14, [2019] liver allocation policy ... and cease and desist implementation of the new liver allocation policies effectuated starting on May 14, 2019."

HRSA directs UNOS to provide to HRSA today UNOS's initial plan for expeditiously complying with the Court's Orders dated May 15 and May 17, 2019, both with respect to technological and policy issues, including the date when complete implementation is expected. HRSA also directs UNOS to provide daily updates to HRSA on the progress made and on any changes to when complete implementation is expected.

Thank you for your cooperation.

Sincerely,

  
George Sigounas, MS, Ph.D.
